### **Building up with God!**

The mission of St. John's Church is to build a community of caring believers committed to Christ, to work for justice and service to all in need. We gather to praise God, and to give and receive support to meet the challenge of our daily ministries. We call on all who will to come and join us.

We are not a building. We are an accessible, accepting, diverse community. We are young and old, able-bodied, and disabled, employed and unemployed. We are married, single, divorced, straight and gay. We are from all over the world, yet we could live next door. You will find open minds and open hearts at St. John's.
