SATURDAY, JUNE 5, 9 AM. SHOW UP AND THE ADVENTURE BEGINS

Destination: Forks of the Credit Provincial Park, not far from Caledon East. A nice mix of abandoned meadows, escarpment and forests, The Forks will make for a great hike. There will be some steep ups and downs, but the first part of the walk is suitable for anyone. Bring water, clothing according to the weather, walking shoes, mosquito repellent, lunch, money to pay for parking. We will leave church at 9am sharp and after time at a pub should be back at church early evening. Car pooling will be arranged.

Weather Note: Knowing the track record of forecasts means that we are not going to be sure exactly what it will be like on Saturday, but they are calling for rain. I am still planning on leading the hike, but when we meet on Saturday morning we can make a group decision based on the weather on whether we are going ahead with it or not... I'm planning on being at the church by 8:15am, if we decide to continue with the hike then we will still leave at 9am sharp. I look forward to seeing you all there. Until Saturday,

And remember this!

Building with God!

The mission of St. John's Church is to build a community of caring believers committed to Christ, to work for justice and service to all in need. We gather to praise God, and to give and receive support to meet the challenge of our daily ministries. We call on all who will to come and join us.

We are not a building. We are an accessible, accepting, diverse community. We are young and old, able-bodied, and disabled, employed and unemployed. We are married, single, divorced, straight and gay. We are from all over the world, yet we could live next door. You will find open minds and open hearts at St. John's.
